MEETING WITH KROM (1964)

From: ISPAKHEL

To: * MOSCOW

No: 199

14 August 1964

I repeat our No. 133(a).

("La Source Egyptienne(MISRAH MEGIPTA)")(b) "KROM"(1) will be wearing glasses with dark lenses. Our aim is to approach him and say good day(11).

[35 groups unrecoverable]

Notes: [a] Not available.

[b] This is presumably a reference to the CAIRO newspaper, La Source Egyptienne, which may have been used as a means of recognition at the meeting. (MISRAH MEGIPTA, translated literally, means 'the Egyptian Exchange'.)

Comments: [1] KROM : Unidentified cover-name. Also occurs in MOSCOW's No. 91 of 21st July, 1964 (not published) and No. 146 of 26th August, 1964 (3/HR/T1713).

This is not, however, a name of Russian origin.

[11] : This message is a reply to MOSCOW's 1122 of 13/8/64 (not published) asking for a repeat from the words "MISRAH MEGIPTA" to the end of the message.
